

Your Availability to Withdrawal Funds
At
Bragg Mutual Federal Credit Union

Our policy is to make funds from your cash and check deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written.

For determining the availability of your deposits, every day is a business day, except Saturday, Sunday, and federal holidays. If you make a deposit before 5:00 pm on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after 5:00 pm or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

Longer delays may apply

Funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000 on any one day
- You re-deposit a check that has been returned unpaid
- You have overdrawn your account repeatedly in the last six months
- There is an emergency, such as failure of communications or computer equipment

We will notify you if we delay your availability to withdraw funds for any of these reasons, and we will

Tell you when the funds will be available. They will generally be available no later than the 5th business day after the date of your deposit.

Special Rules for new accounts

If you are a new customer, in the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits into your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000 of a day's total deposits of cashier's certified, teller's traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,000 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the 10th business day after the day of your deposit.
